VAT calculation, GT (grand total) function, % and delta % calculation, IC function
(item count), mark-up function (profit margin mark-up/down), 12-digit LCD, PC-style
keyboard, 2-colour printing (black/red), paper width 58 mm, printing speed 3.5 lines
per second, metal paper holder, mains-powered.
Dimensions W 260 x H 300 x D 73 mm

THE WORLD COUNTS ON CITIZEN

CX-32

Compact Desktop Printing Calculator.
With automatic VAT calculation.

Functions & Facts:

- automatic VAT calculation
- 12-digit LCD
- PC-style keyboard
- 2-colour printing (black/red)
- paper width 58 mm
- printing speed 1.9 lines per second
- metal paper holder
- mains or battery-powered
- dimensions W 148 x H 219 x D 51 mm

CX-77W II

Handy Desktop Printing Calculator.
With currency and VAT function, date and time.

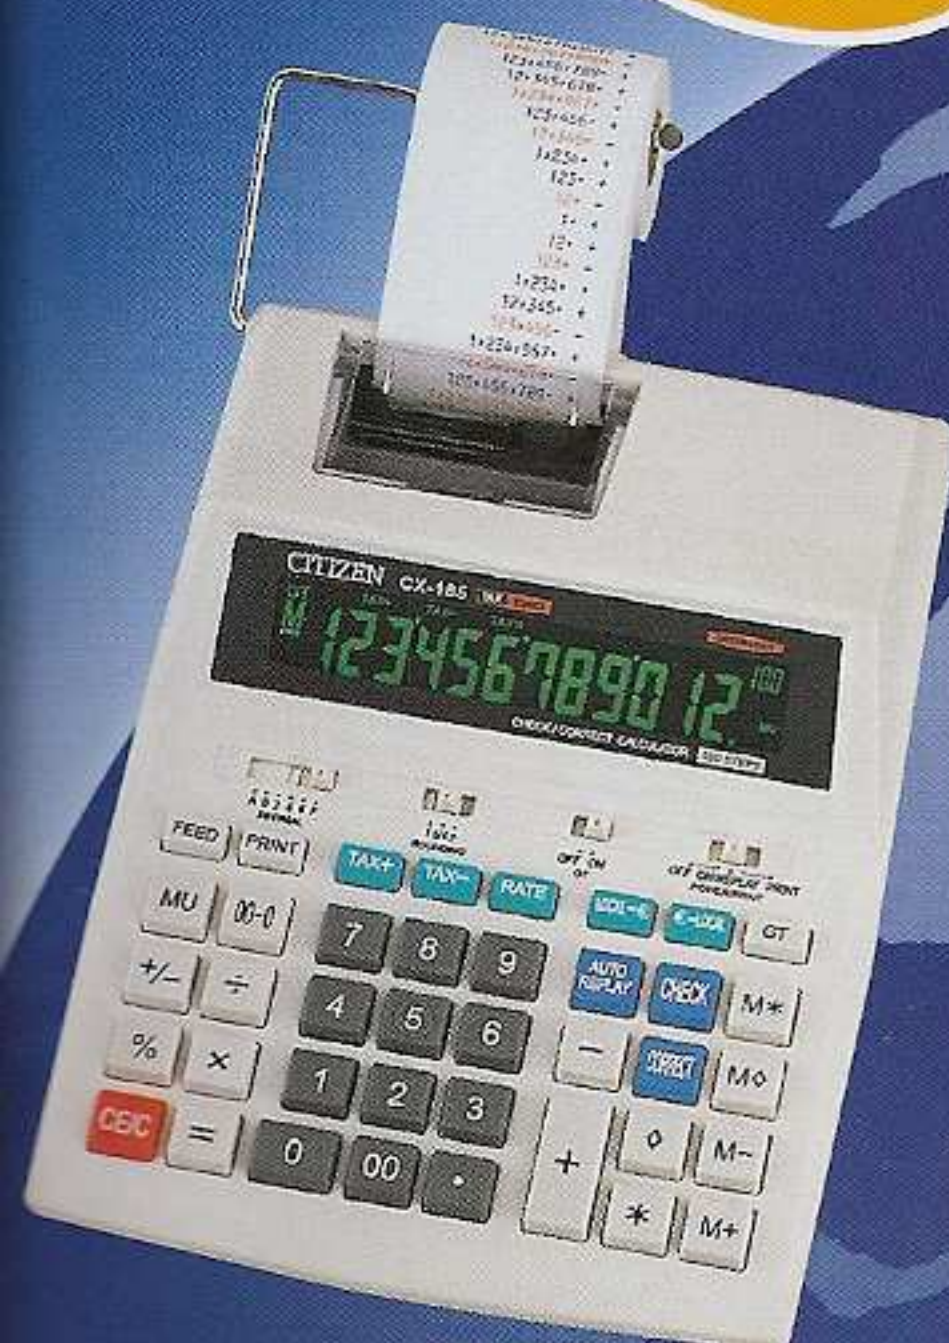

Functions & Facts:

- automatic VAT calculation
- currency conversion
- 12-digit LCD
- rubber keyboard
- 1-colour printing (black)
- paper width 58 mm
- printing speed 1.4 lines per second
- date and time on display and printout
- metal paper holder
- mains or battery-powered
- optionally in white or black
- dimensions W 98 x H 190 x D 44 mm

FOR PROFESSIONAL CALCULATIONS.
EFFICIENT, PRECISE AND
PRACTICAL FUNCTIONALITY.

Exclusive
worldwide to CITIZEN
With Check&Correct
function

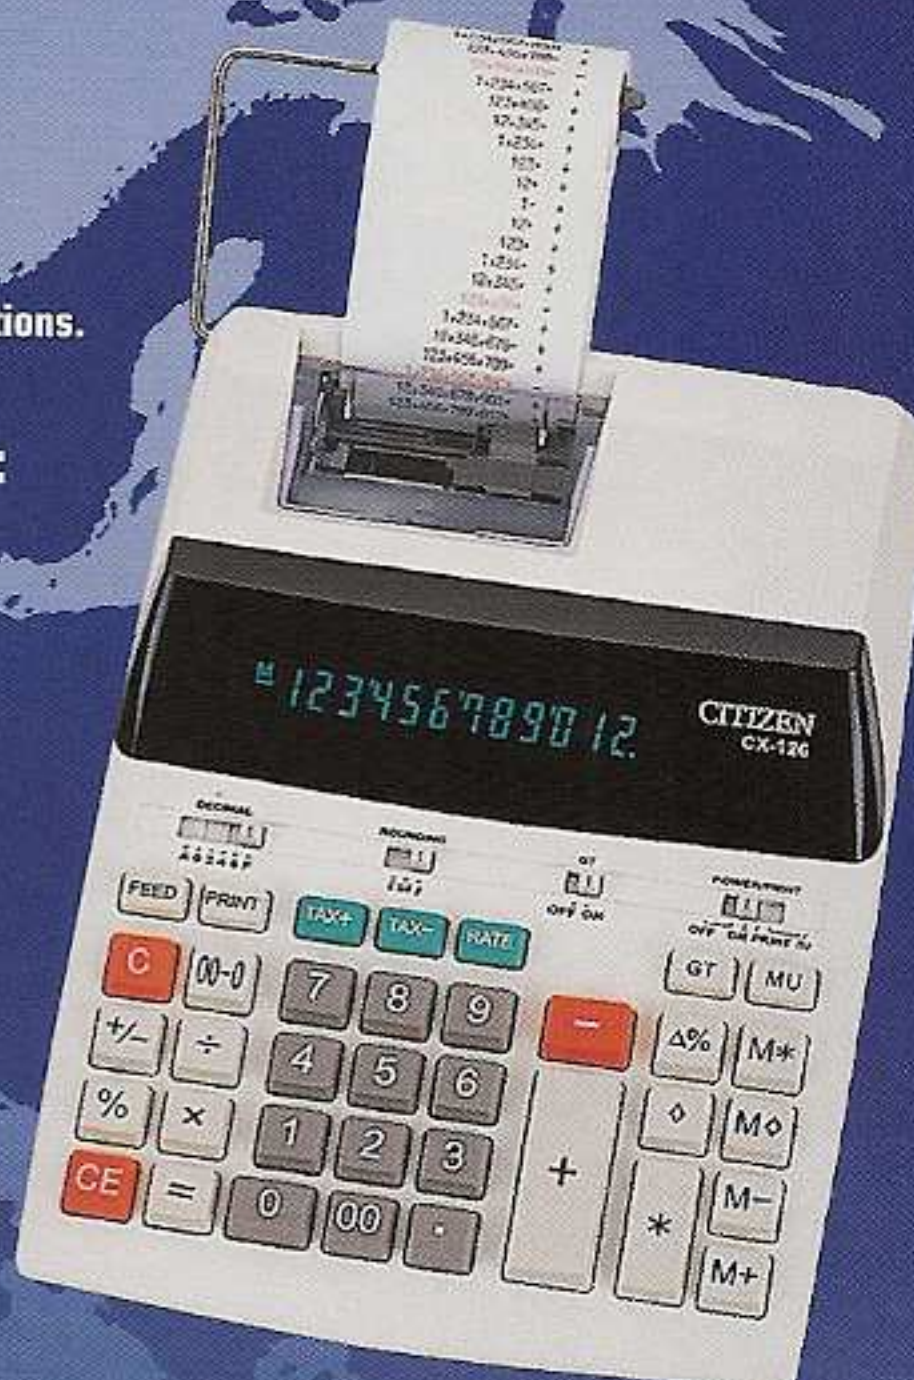

CX-185

Desktop Printing Calculator with
Check&Correct Function.
Automatic currency and VAT functions.

Functions & Facts:

- Check&Correct function for the last 99 entries
- auto replay
- automatic VAT calculation
- currency conversion
- 12-digit LCD
- PC-style keyboard
- 2-colour printing (black/red)
- paper width 58 mm
- printing speed 2.7 lines per second
- metal paper holder
- mains-powered
- dimensions W 189 x H 255 x D 61 mm

CX-126

Desktop Printing Calculator with
Digitron Display.

Functions & Facts:

- automatic VAT calculation
- GT (grand total) function
- % and delta % calculation
- mark-up function (profit margin mark-up/down)
- 12-digit Digitron display
- PC-style keyboard
- 2-colour printing (black/red)
- paper width 58 mm
- printing speed 2.4 lines per second
- metal paper holder
- mains-powered
- dimensions W 190 x H 255 x D 62 mm

SDC-805 II

8-Digit Dual Power Desktop Calculator.

Functions & Facts:

8-digit LCD
plastic keyboard
dual power (solar and battery)
dimensions W 103 x H 131 x D 19.5 mm

SDC-8430TE

Desktop Calculator with Instant Calculation of Cost, Sell, Margins.

Functions & Facts:

instant calculation of costs, selling prices and profit margins
automatic VAT calculation
large 10-digit acrylic coated LCD
metal coating
plastic keyboard
dual power (solar and battery)
dimensions W 92 x H 142 x D 13 mm

CITIZEN DESKTOP CALCULATORS

**FOR FAST CALCULATIONS AT HOME
AND AT THE WORKPLACE. CLEAR LAYOUT
AND PRECISE, MODERN DESIGN.**

EX-870

Desktop Calculator with Automatic VAT and Currency Functions.

Functions & Facts:

automatic VAT calculation
currency conversion
optional 1 or 2-line display with 12 digits
dual power (solar and battery)
dimensions W 111 x H 137 x D 20 mm

SDC-8955

Premium Desktop Calculator with Adjustable Display.

Functions & Facts:

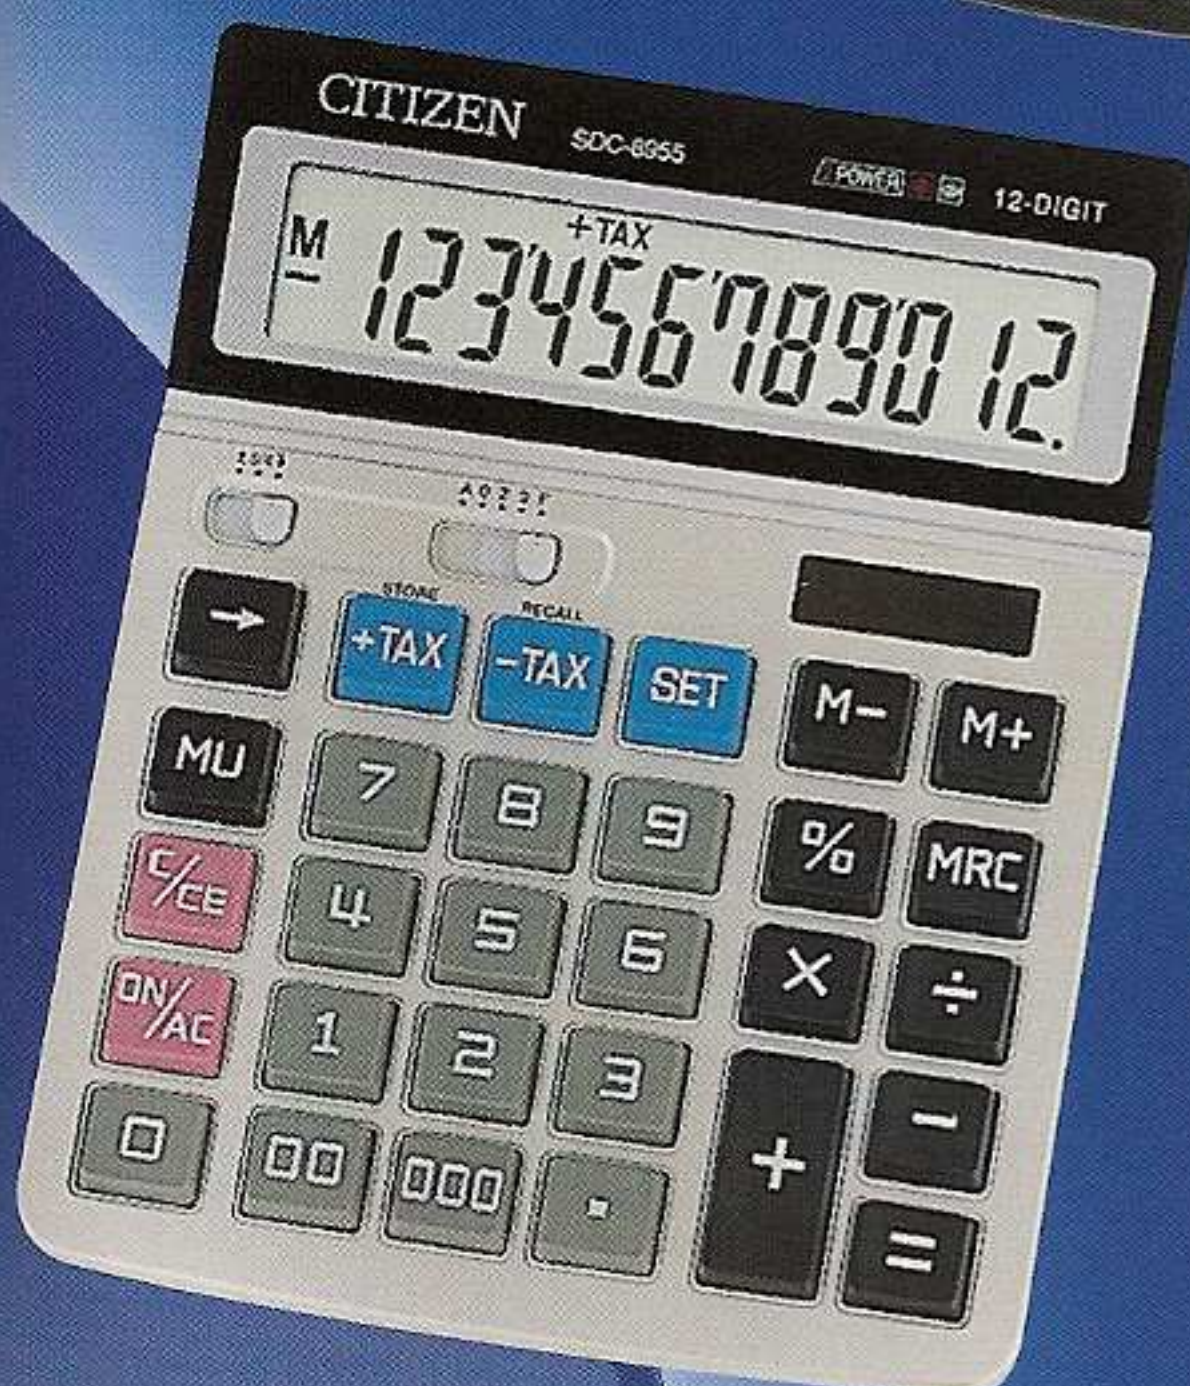

automatic VAT calculation
mark-up function
(profit margin mark-up/down)
adjustable 12-digit acrylic coated LCD
plastic keyboard
metal coating
dual power (solar and battery)
dimensions W 152.4 x H 198 x D 27.8 mm

CT-580

Innovative Desktop Calculator with Check&Correct Function.

Functions & Facts:

Check&Correct function for the last 99 entries
auto replay
GT (grand total) function
12-digit acrylic coated LCD
plastic keyboard
metal coating
dual power (solar and battery)
dimensions W 108 x H 175 x D 32 mm

CITIZEN®
CALCULATORS
FOR PROFESSIONALS

CITIZEN SCIENTIFIC GRAPHIC CALCULATORS

**ADVANCED MATHEMATICS.
WITH MANY SOPHISTICATED FUNCTIONS
AND GRAPHIC DISPLAY.
COMES WITH PRACTICAL HARD COVER.**

SRP-325G

Scientific Graphic Calculator with 608 Functions.

Functions & Facts:

10 + 2 digits
400 bits program memory
battery-powered
dimensions W 76 x H 155.5 x D 12 mm

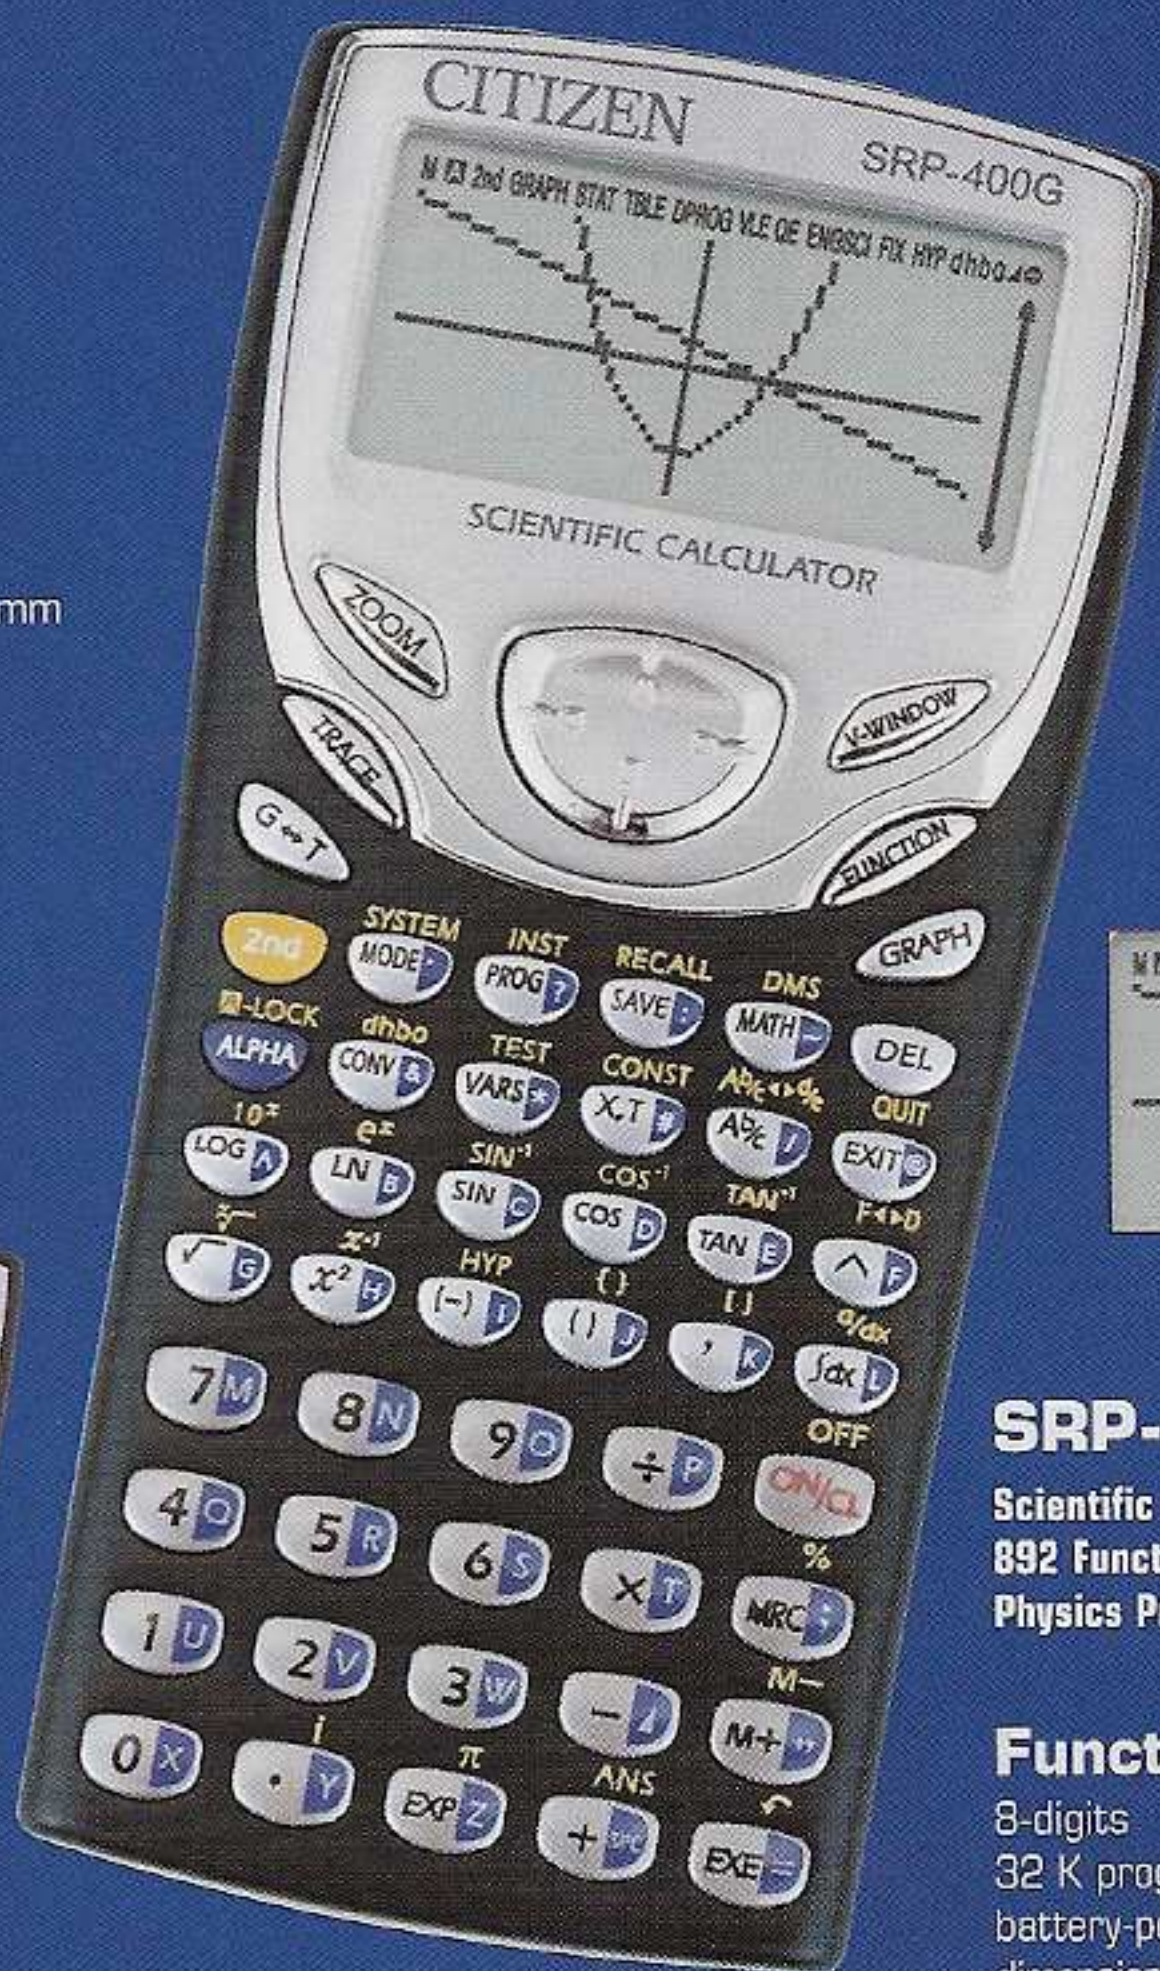

Compact Info:

Detailed operating instructions in 8 languages on CD-ROM.

Hard Cover:

Safely packed, perfectly protected. All scientific calculators come with practical hard cover.

SRP-400G

Scientific Graphic Calculator with 892 Functions including Trigonometry, Physics Programming plus Games.

Functions & Facts:

8-digits
32 K program memory
battery-powered
dimensions W 78 x H 157 x D 19.5 mm

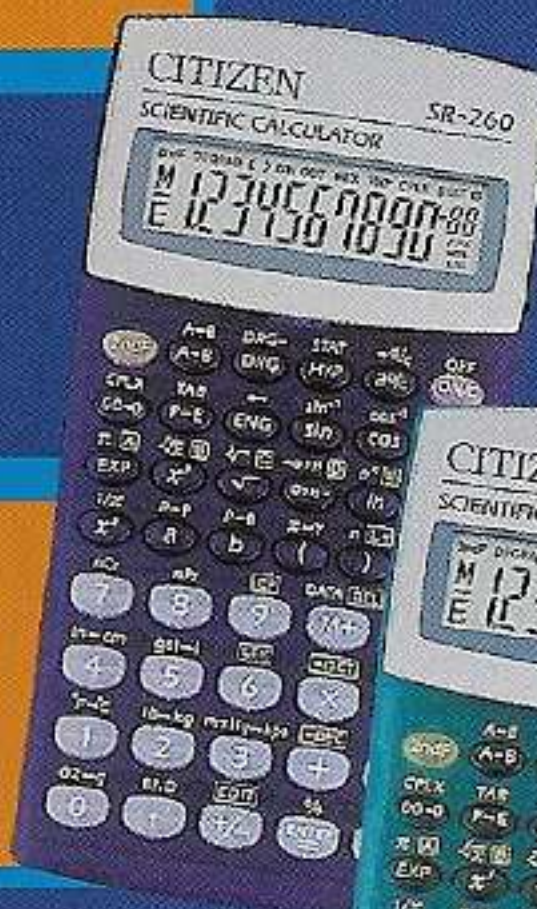

SR-260PU SR-260GR

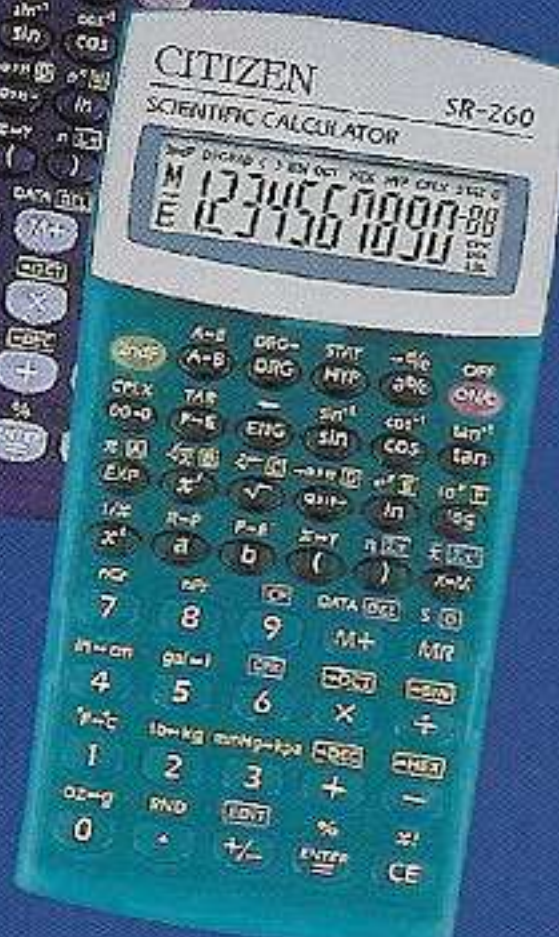

Scientific Calculator with Fashion Design.

Functions & Facts:

10 + 2 digits
165 functions
transparent case and cover
battery-powered
dimensions W 70 x H 148 x D 12.5 mm

SR-260PU

SR-260GR

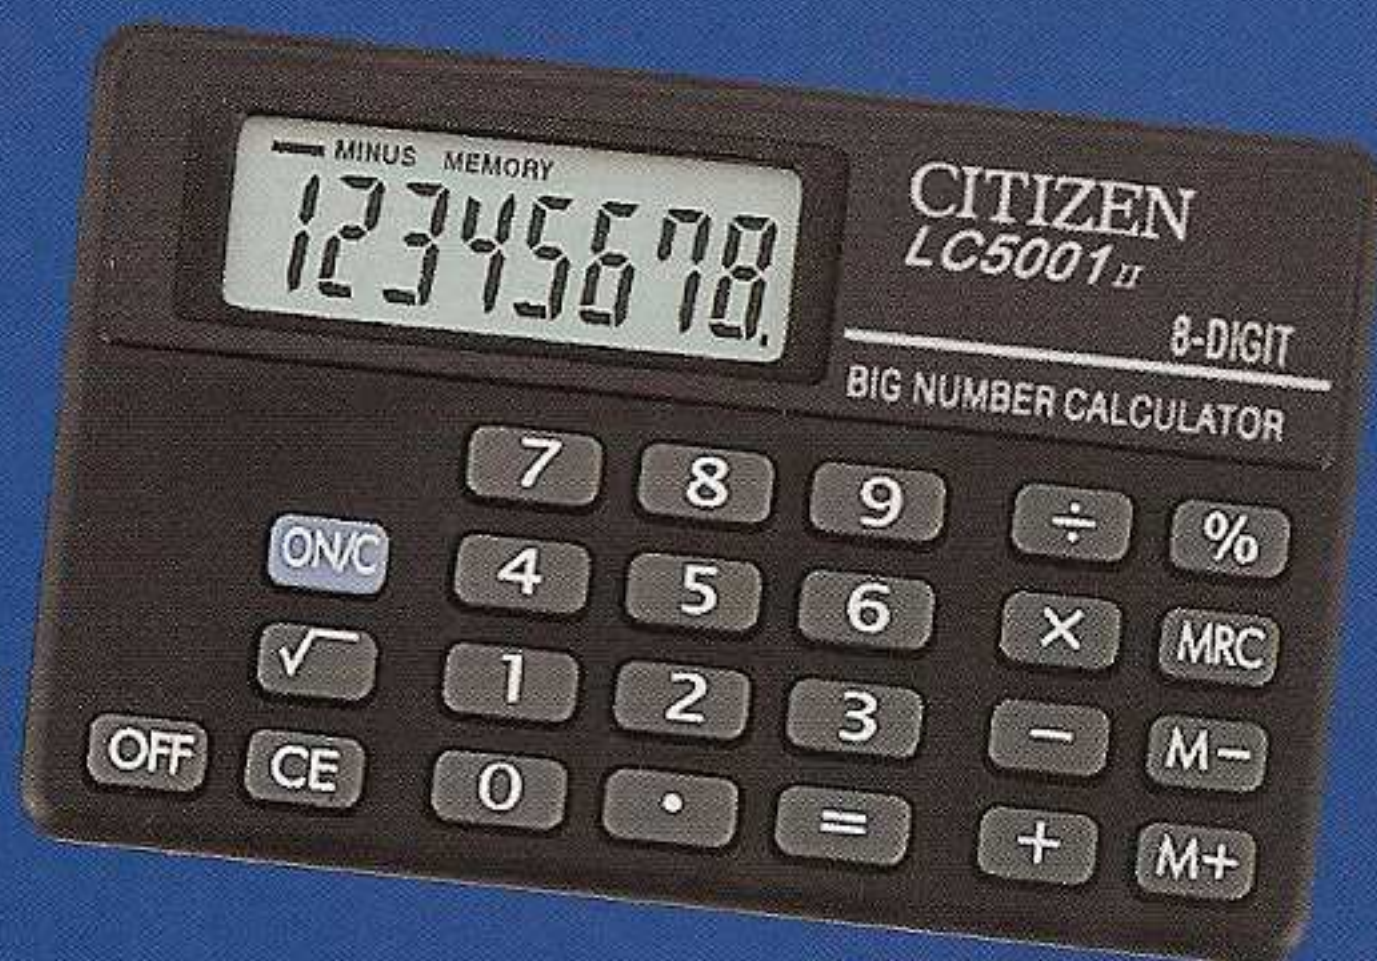

SR-275

2-line Scientific Calculator with 236 Functions.

Functions & Facts:

10 + 2 digits
battery-powered
dimensions W 75 x H 148 x D 12.5 mm

CITIZEN®
CALCULATORS
FOR PROFESSIONALS

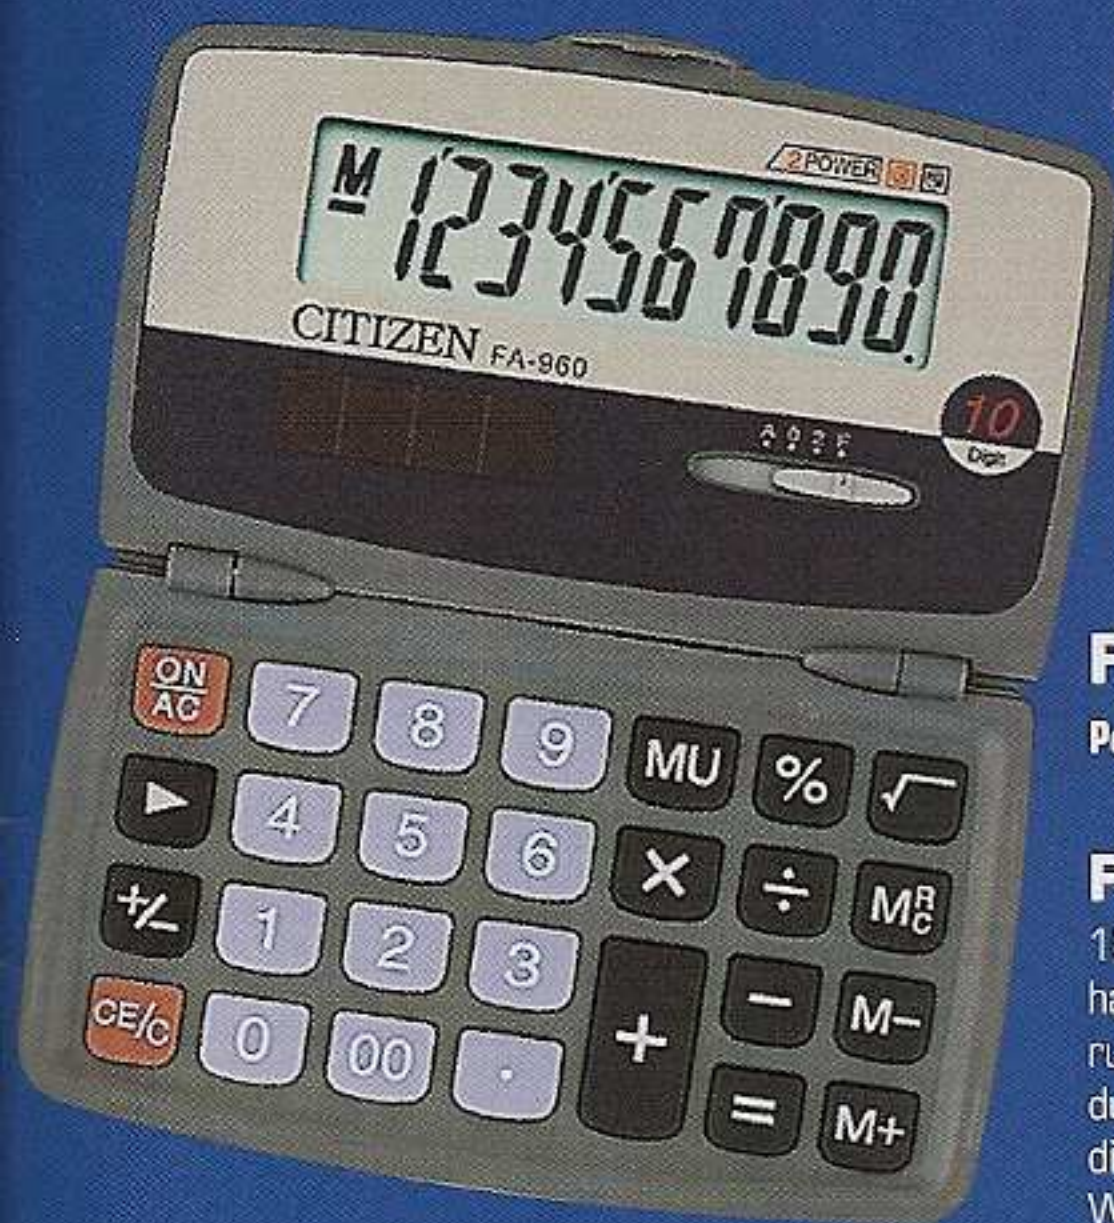

LC-5001 II
8-Digit Pocket Calculator

Functions & Facts:

8-digit display
rubber keys
protective case
battery-powered
dimensions W 84 x H 54 x D 7 mm

CITIZEN POCKET CALCULATORS

**PRECISION IN POCKET FORMAT.
THE IDEAL COMPANION FOR THOSE WHO
WANT TO KNOW EXACTLY WHAT'S WHAT.**

FA-960
Pocket Calculator with Angled Display

Functions & Facts:

10-digit display
hard cover
rubber keys
dual power (solar and battery)
dimensions W 115 x H 70 x D 12 mm
(closed)

DE-200
Pocket Calculator with
Currency Conversion.

Functions & Facts:

currency conversion
2-line 8-digit display
rubber keys
protective case
dual power (solar and battery)
dimensions W 67 x H 107 x D 11 mm

SLD-7008
Pocket Calculator
with 8-Digit Display.

Functions & Facts:

rubber keyboard
protective case
metal finish
dual power (solar and battery)
dimensions W 61 x H 102 x D 7 mm

SLD-839T
Pocket Calculator
with Metal Finish.

Functions & Facts:

automatic VAT calculation
rubber keyboard
protective case
dual power (solar and battery)
dimensions W 55.2 x H 91.1 x D 7.5 mm
